PRESIDENTS MESSAGE

I do not have an further Rotary news at this time of writing and I remind all members next Wednesday's meeting will be via Zoom.

Neil

**President
Neil Watt**

Two weeks ago we had a guest speaker from the City of Banyule presenting a mentoring program for learner drivers.

During this presentation we learned there were many programs initiated by or supported by the City of Banyule and we requested an opportunity to engage with suitable programs that did not necessarily involve the funding of such programs.

I received a telephone call from an employee of the City last Friday and we have arranged for her to do a presentation to the Club on June 16. Hopefully we will be over the lockdown period and it will be a face to face meeting.

We received a request from a Teacher at Viewbank College, who is a Rotarian, enquiring whether we would support a student to attend the Santos Science Experience at Melbourne University. PP Brian Summers will follow up to obtain details.

The Club will explore an opportunity to obtain a district grant to provide 3 computers to the Council for the Homeless following a presentation by their CEO and subsequent follow up by P P Don Hamilton. Peter Little is engaging with District to see whether such a project qualifies.

Report from meeting of the 26th May 2021

Tonights meeting at the Sir Henry Barkly Hotel was supposed to have been a club assembly, There were only 11 members in attendance and as a result it was felt there were to many absentees and this prevented discussion of the items on the agenda that required full club consideration.

President Elect Ian will draft a position paper and distribute it to all members in June.

Bunnings Sausage Sizzle Cancellation on Saturday May 29th due to Lockdown.

Bunnings have offered the Club \$500.00 in store vouchers to compensate the Club for revenue loss as a result of the cancellation

Many thanks to Bunnings for their kind and very generous offer.

HUMOUROSITIES

A priest and pastor from the local parishes are standing by the side of the road holding up a sign that reads, "The End is Near! Turn yourself around now before it's too late!"

They planned to hold up the sign to each passing car.

"Leave us alone you religious nuts!" yelled the first driver as he sped by.

From around the curve they heard screeching tires and a big splash. "Do you think," said one clergy to the other, "we should just put up a sign that says 'Bridge Out' instead?"

My ten-year-old, under the tutelage of her grandmother, was becoming quite knowledgeable about the Bible.

Then one day she floored her grandmother by asking, "Which Virgin was the mother of Jesus: the Virgin Mary or the King James Virgin?"

It was very windy, and this particular little girl was only six years old and small for her age. When her mother asked her to clean off the front sidewalk, the wind nearly blew her away. She picked up the broom countless times, but each time, the wind got the best of her and knocked her over.

Her mother came out a few minutes later to see how she was doing and found her stuffing rocks in her pocket. "I thought you were cleaning off the sidewalk," her mother said. "What in the world are you doing?"

The little girl replied: "Now? I weigh me down to sweep."

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?
